SOCIAL RESPONSIBILITY

Here at Technology and Risk Management (Asia) Limited we believe that we have a responsibility to society. This responsibility is "positive", meaning that we take a proactive stance.

Broadly speaking, our social responsibility includes five areas of interest including:

- Ethical behavior
- Business to business responsibility
- Human responsibility
- Environmental responsibility

Ethical Behavior

Our business is well known for our foundation of ethical and professional behavior that reflects in all things we do. We believe in honest and fair business dealings while doing what is morally right while avoiding any conflicts of interest. This ethical behavior extends also to intellectual property, knowledge and skills as well as being an important factor in staff selection.

社會責任

在 Technology and Risk Management (Asia)Limited，我們認為我們對社會擁有社會責任。這份責任是“正面”和有意義的。所以我們以積極的態度去肩付這份責任。

廣泛來說，我們的社會責任包括五個範圍：

- 道德行為
- 企業間的責任
- 人類責任
- 環保責任

道德行為

我們的公司可以在處事上以道德及專業的態度為基礎，並且在工作上確實地貫切這份態度而見稱。我們相信誠實及公平的商業合作，並只做道德上正確的事。這份道德的行為更伸展至智慧財產，知識及成為選擇員工的重要因素。

Business to Business

Responsibility

We are committed to working together with our clients and building and maintaining realistic and meaningful relationships. We believe these relationships grow by providing close attention to the establishment and development of trust through our actions. Good communication skills also result in an open and honest business relationship and help us to achieve our goal of working together with our clients for mutually successful outcomes. We always do what we say we will do. Our consulting and management services are always practical, relevant and realistic as well as being reliable.

企業間的責任

我們致力與客戶合作，從而建立並維繫和客戶實在和有意義的關係。我們相信透過我們的行動，努力建立並加強信任，能使這種良好的關係加深。良好的溝通技巧也會形成開放及具誠信的商業關係，並有助我們去實踐目標與客戶一同努力以達到雙贏的結果。我們言出必行，我們的顧問及管理服務是實用、恰當、切合現實和可信賴。

Human responsibility

A part of our social responsibility is being responsible to our people. We believe in treating our employees with care and respect. Our responsibility includes Occupational Health and Safety (OH&S) and also extends to include zero discrimination, equality, privacy, health and wealth. In addition, we believe in investing in the training and personal development of our people by enrolling them in appropriate courses to improve their development, our business and the relationships with our clients.

Environmental responsibility

An important part of our social responsibility is our environmental responsibility. Our Environmental policy manages human activities with a view to preventing, reducing or mitigating harmful effects on nature and natural resources, and ensuring that man-made changes to the environment do not have harmful effects on living beings.

人類責任

社會責任的其中一部份是對人類負責任。我們堅信要關懷和尊重我們的員工。我們的責任包括員工的職業安全與健康，更伸延至零歧視、公平、保護私隱、健康與財富。再者，我們更認為投資於員工的培訓和發展，為他們安排適當的課程，能加強員工們的個人發展，更會對我們的業務，和客戶關係有正面的影響。

環保責任

環保責任是我們的社會責任中重要的部分。我們的環保政策是以防止，減少或放緩對大自然及自然資源有害的人類活動為目標，並確保人類對環境的改動不會造成對生物有害的不利影響。

Sustainability

While recognizing that the environment as our natural inheritance and legacy plays a major part of community expectations and government policies, we also welcome the trend to it now becoming one of the key factors which govern the activities of businesses and industries.

As we go forward into the 21st century we have made it our responsibility to integrate economic, environmental and social sustainability into our business practices and deliverables wherever possible.

As well as welcoming our role in sustainability, we also offer our clients a practical approach to integrating sustainability into their projects that we facilitate for them through appropriate designs and advice.

持續性發展

在認知環境作為我們的自然遺產，在社區期望和政府法規上佔有重要的部分的同時，我們亦都歡迎環境的關注續漸成為一個在管理商業活動及行業上的重要考慮因素。

在踏入 21 世紀的同時，我們堅持融合經濟、環境及社會持續性在商業的實踐，並提供我們所能的所有為己任。

歡迎我們在可持續發展的角色的同時，我們也透過恰當的設計和建議，向提供客戶實在的方法去融合可持續發展概念在他們的項目上運用。
